LTC Global Marketing and LTC Financial Partners Merge to Form One-Stop Shop for Long Term Care and Medicare Insurance Solutions

The Expanded Company Will Advise TX Residents, as Well as Those in Other States, on a Broad Array of Care-Related Products

Houston, TX July 10, 2014 – LTC Financial Partners and LTC Global Marketing Inc. have completed the merger of the two companies into one of America's largest distributors of senior market insurance products.

There will be two marketing units, ACSIA Partners LLC (ACSIA) and United Insurance Group Agency, Inc. (UIG). ACSIA will offer long term care insurance and related services. UIG will offer Medicare Supplemental Insurance, Medicare Advantage and Part "D" Prescription Drug coverage.

"Now America's seniors can come to one source for all their medical and care-related insurance needs," says Kay Nettles, TX-based agent with the company. "Until now they had to fulfill their health and long-term care insurance requirements in different places. It was needlessly complex and confusing."

Worksite benefit programs will benefit from the new one-stop shop too. "In TX and all across the nation, we can now offer a wider array of benefits for employees everywhere," says Nettles.

The new organization, through its ACSIA and UIG units, will field more than 400 specialists in addition to Nettles, serving consumers and organizations in all states. "With our combined resources, we can reach more people and do more for them than ever," says Nettles.

Kay Nettles is a leading long term care solutions agent in TX, serving consumers as well as organizations. "We're glad to help them find the best, most affordable solution for their situation," Nettles says. In California, prior to the merger, the company was known as LTC Partners & Insurance Services; in other states, as LTC Financial Partners.
